Dummy Shipping Policy

Effective Date: 25 September 2026 | Version: 1.0

This sample shipping policy is provided for demonstration purposes only. It uses fictional shipping terms and should be reviewed and replaced with the company's actual policies before publication.

1. Shipping Coverage

We currently ship eligible products to selected addresses within Australia. Some regional, remote, or restricted locations may not be serviceable. International shipping is not available under this sample policy.

2. Processing Times

Orders are generally processed within 1–3 business days after payment is confirmed. Orders placed on weekends or public holidays will normally begin processing on the next business day.

3. Estimated Delivery Times

Destination	Estimated Delivery	Sample Shipping Fee
Metro areas	2–5 business days	AUD \$9.95
Regional areas	4–8 business days	AUD \$14.95
Remote areas	5–12 business days	Calculated at checkout

Delivery estimates are indicative only and may be affected by carrier delays, weather, peak periods, incorrect address information, or other circumstances outside our control.

4. Age-Restricted Products

Some knife products may be subject to minimum-age requirements and other legal restrictions. Where required, the purchaser may need to provide valid age or identity verification. We reserve the right to refuse or cancel an order where we reasonably believe applicable laws or delivery requirements cannot be satisfied.

5. Delivery Requirements

Certain knife products may require delivery to a suitable address and may not be eligible for unattended delivery. The carrier may request identification or a signature where required. Customers are responsible for ensuring that the recipient can lawfully receive the product.

6. Tracking

Where tracking is available, a tracking number will be sent to the email address supplied with the order. Tracking information may take up to 24 hours to appear after the parcel has been lodged.

7. Incorrect or Incomplete Address

Customers should carefully check their shipping details before completing an order. If an order is returned because of an incorrect or incomplete address, additional shipping charges may apply before the parcel can be resent.

8. Damaged or Missing Parcels

If your parcel arrives visibly damaged, please contact us as soon as possible and provide photographs of the packaging and product. If a parcel appears to be lost, contact us so we can investigate with the delivery carrier.

9. Shipping Restrictions

We may restrict or cancel shipments where the destination, product, carrier requirements, or applicable laws prevent lawful delivery. Customers should check the laws applicable to their state or territory before purchasing a knife product.
